

# Guess That Sound!

## Phase 1 skill: Environmental Sounds

**Aim: Identifying sounds by listening only**

**Why this matters:**  
Sharpens listening  
and memory skills -  
essential for hearing  
the differences  
between letter  
sounds

**What you'll need:**  
Household items like  
keys, spoon, paper

- How to do it:**
1. Sit down with your child and ask them to close their eyes.
  2. Make a sound with a household item and get them to guess it.
  3. Use the other sheet to tick or draw the sounds

- Say this to help:**
1. Close your eyes and listen carefully.
  2. Ask: what was that sound?
  3. Was that sound loud or quiet?

# Guess That Sound!

Can you guess what's making that sound?
