

# Rhyme Match Snap!

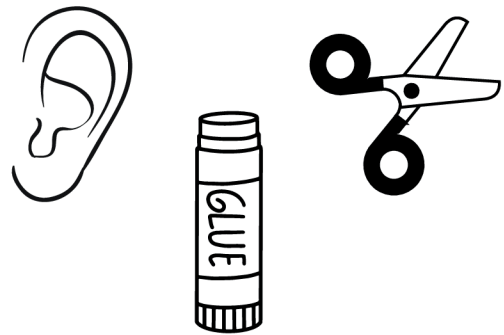

## Phase 1 skill: Rhythm and Rhyme

**Aim: Matching game using rhyme and common objects**

### Why this matters:

**Matching Sounds  
and developing  
rhyming awareness**

### What you'll need:

### How to do it:

1. Cut out the cards, shuffle them and place them face down.
2. Take turns to turn over two cards, saying the object as it's revealed.
3. If the two objects on the cards rhyme, the first person to shout snap wins and takes those cards into their pile.

### To make it easier:

1. Cut out the cards, shuffle them, place them face up.
2. Let your child say each object until they find its rhyming object, like a sound sorting game using rhyme.
3. Stick the pairs found on the sheet and colour them in.

# Rhyme Match Snap!

How many rhyming pairs can you find?
